## Kalamazoo 2FSMV Belt Sander

---

*Power. Industrial Precision. One Serious Sander.*

### Overview

The Kalamazoo Industries 2FSMV is a 2" x 48" industrial belt sander designed for professionals who demand power, precision, and cleanliness. Equipped with a built-in vacuum system and 100 CFM dust collector, this machine keeps your workspace clean while delivering consistent, high-performance results.

### Product Highlights

- Integrated Dust Collection – DCV-4 vacuum base keeps your work area cleaner and your lungs clear.
- Heavy-Duty Build – Rugged frame with additional safety features.
- Versatile Design – Tilt table, removable platen, and drive.
- Quick Belt Changes – Full-hinged guard allows fast and easy belt swaps.
- Compact Footprint – Fits comfortably in any shop layout.

### Specifications

- Motor: 1/2 HP, 1PH, 3450 RPM
- Belt Size: 2" x 48"
- Dust Collector: 100 CFM

### Ideal For

- Cabinet shops
