Discover the Sander That Works as Hard as You

Do – The Kalamazoo S4S

Built for Performance. Trusted by Professionals.

Made in the USA.

If you're looking for a belt sander that delivers power, precision, and long-term durability, the Kalamazoo S4S is your solution. Engineered for both professionals and serious hobbyists, this 4" x 36" benchtop belt sander is designed to handle demanding tasks with ease.

The S4S offers the flexibility to be used as a portable or stationary unit, making it ideal for tight workspaces or mobile job sites. Whether you're shaping wood, smoothing surfaces, or finishing metal components, the S4S delivers consistent, high-quality results across a wide range of materials.

Its robust construction, adjustable work table, and easy belt tracking system give you the control and confidence to take on any sanding challenge. And with its ability to handle both wood and metal, it's a versatile addition to any workshop.

Why Choose the Kalamazoo S4S?

- ✓ 4" x 36" abrasive belt for broad surface coverage
- ✓ Adjustable work table for precision control
- ✓ Compact design for benchtop or portable use
- ✓ Built in the USA for unmatched quality and reliability
- ✓ Ideal for woodworking, metalworking, and general fabrication

Ready to upgrade your sanding game? Don't settle for less—experience the performance and durability of the Kalamazoo S4S today.
